

BT-BOCES: School Completion Strategies
January 30-31, 2006

School completion strategies

Alternative education (1)

Expand current and implement new alternative education programs.

Career and technical education (2)

Develop K-12 career awareness programs and increase the opportunity for students to participate in career and technical education programs.

Community partnerships (3)

Foster increased collaboration between school and community.

Early intervention (4)

Use demographic, student attendance, conduct and performance data to identify at-risk students birth to grade 12 and implement intervention strategies.

Literacy (5)

Institute a comprehensive birth to grade 12 reading and literacy program.

Mentoring (6)

Strengthen and expand district-wide mentoring programs involving students,

school personnel and community organizations.

Family partnerships (7)

Promote ongoing family partnerships with the greater school community.

Risky behaviors (8)

Using school and community resources, identify and intervene with students most at risk of drug and alcohol abuse, sexual promiscuity and other risky behaviors.

School climate and community (9)

Implement strategies to build a positive, respectful and caring school climate and community where all students and staff can achieve their full potential.

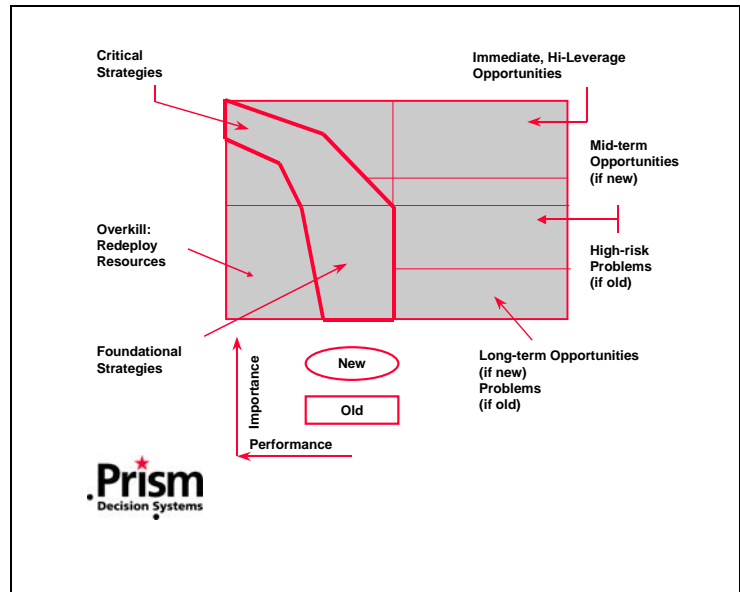

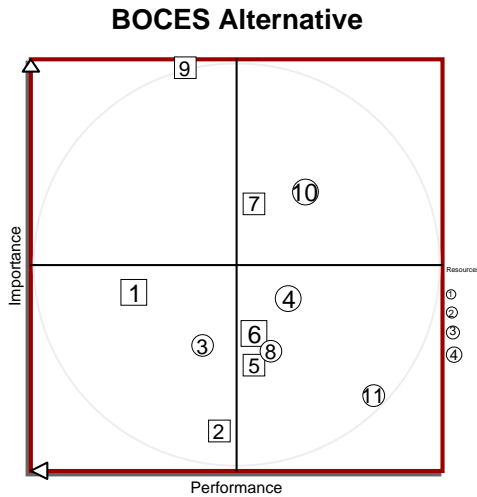

Student engagement (10)

Implement a broad range of instructional and extracurricular activities so that at-risk students can participate fully in the school community.

Leadership development (11)

Implement a student leadership program focused on at risk students.
