

OCM BOCES: School Completion Strategies
January 4, 2007

School completion strategies

Alternative education (1):

Implement alternative learning opportunities for at-risk students that may include alternative ways to earn high school credits.

Community involvement (2)

Establish community, agency and district partnerships to meet the needs of our students.

Early childhood (3)

Establish early childhood programs that offer a structured environment for youngsters to learn and grow socially, academically and emotionally and that may include parental sessions.

Early identification and intervention (4)

Implement an early and continuous identification and intervention process for at-risk students K-12.

Extracurricular (5)

Implement extracurricular activities unique to at-risk students to help them fully participate in the school community.

Individual learning plans (6)

Implement Individual Learning Plans for at-risk students.

Mentoring (7)

Establish a K-12 mentoring program that targets at-risk students and their specific needs.

Parents (8)

Implement and promote support networks for at-risk students' parents that will increase opportunities for parent education and involvement K-12.

Professional development (9)

Provide relevant and data-based professional development to engage at-risk students in the instructional process.

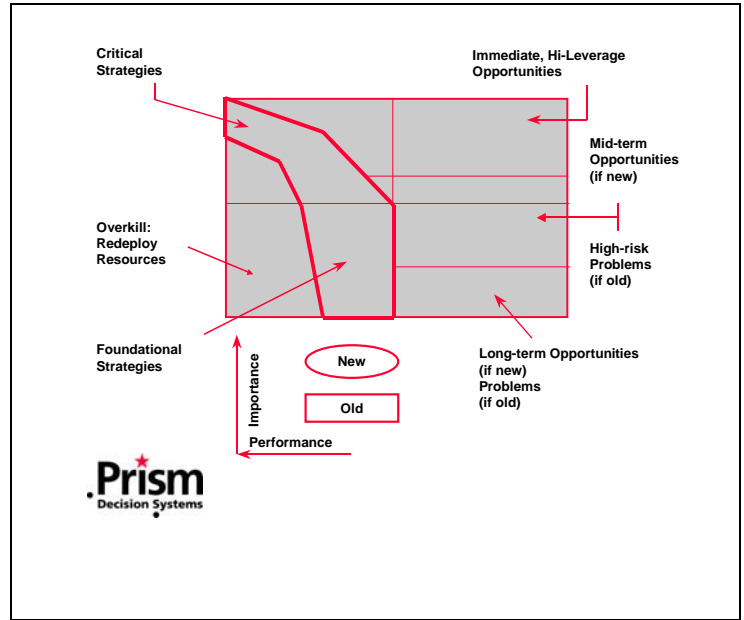

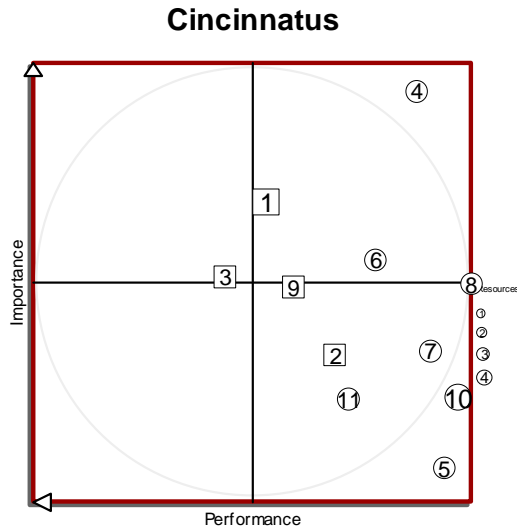

Service learning (10)

Establish a formalized and meaningful service learning program for at-risk students.

Tutoring (11)

Implement tutoring programs targeting at-risk youth.
